CDN Professional Development Funds Request

The CDN board has set aside $3,000 annually to support CDN members to attend conferences in which they represent CDN in some way.

$2,000 of this money is allocated in $500 increments to help support CDN members presenting or receiving an award at a national conference or at MidWest ACE. This money is allocated on a first come basis. If your proposal to present at a conference has been accepted or you have received an award, please forward the acceptance letter to the CDN chair along with a short written request for $500 to help fund your conference registration.

$1,000 is allocated in $500 increments to help support CDN members representing CDN at Recruiting Trends or the Hire Big 10 Consortium (Allerton) conference. This money is also allocated on a first come basis. If you plan to attend one of these conferences please send the CDN chair a short written request for $500 to help fund your conference registration.

A CDN member can only make one professional development funding request per year. The CDN board has final approval of these requests and once the $3,000 is spent for the year no more requests can be considered. If you have any questions please contact the chair.
